A 3D rendered scene of a desert landscape. In the center, a cave entrance is framed by large, jagged rock formations. The interior of the cave is dark, with a bright light source visible at the far end, creating a strong silhouette effect. The surrounding terrain is sandy and rocky, with some small, dark, cross-shaped objects scattered on the ground. The overall color palette is dominated by warm, brownish-orange tones, giving it a mysterious and ominous feel.

Monria is a Horror 3D MMORPG within the Entropia Universe expanding on the Cthulhu Mythos, and set in the distant future where an evil exists so stealth that one is unaware of how subtle and pervasive the Cthulhu effects can be on one's mind until ... it is too late.
